

About the Cripps Social Club

The Cripps Social Club was built for the staff of Northampton General Hospital with funds generously donated by Sir Cyril Cripps and the Cripps Foundation. The centre was formally opened in March 1974.

Cripps Social Club offers an expanding range of sporting activities: Classes, Swimming Pool, Gym, Vibro Gym, Health Suite, Racket Sports, & 5-a-side. It is also a great place to relax and socialise and to hold functions / meetings.

Outside people can also use specific areas of the club, such as: hiring out our function rooms, swimming pool, & 5-a-side pitches. We also offer pool parties and 1-2-1 swimming lessons.
